

Good news

- Miramichi is getting a new nursing home;
- Twenty-six (26) more beds.

Bad News

- Will be built, owned and operated by a private company and not locally owned and operated by a non-profit board;
- Will mean the elimination of Meals on Wheels, Senior Day Care and other community programs;
- Will mean the staff will all be laid off from their current employer and have to reapply for their jobs;
- Support staff in other private nursing homes in NB making \$10 000 less per year;
- Will mean less money to be spent in the community;
- Province closing two nursing homes in Edmundston and opening a new not for profit home with 24 more beds;

Why not the same for Miramichi?
What makes us different?
