- (b) No employee shall be required or permitted to make any written or verbal agreement with the Employer or its representatives which may conflict with the terms of this Collective Agreement.

**3.02 Work of the Bargaining Unit**

Non bargaining unit employees shall not work on any jobs which are included in the bargaining unit except for purpose of instruction, experimentation, or in emergencies when employees are not available; and provided that the act of performing the aforementioned operations, in itself, does not reduce the hours of work or pay of any employees.

**3.03 Volunteers**

(a) The activity directors and care staff may be assisted by relatives and family members of the residents in the delivery of care and activities for their family member or relative, providing the hours of work of employees are not reduced as a result of this assistance.

(b) The activity directors and care staff may be assisted by volunteers in auxiliary resident care over and above the employee's job descriptions and they will not take away the work of any full-time or part-time employees. These volunteers are not covered by this Agreement.

**3.04 Cost of Arbitration-Volunteers**

The Employer agrees to pay the cost of the Chairperson of an Arbitration Board held to consider a grievance arising under Article 3.03.

**ARTICLE 4 – DEFINITIONS**

**4.01 Employee**

An *employee*, for the purpose of this Agreement, shall mean a person in the employ of the Employer who falls under one of the classifications listed in Appendix "A" of this Agreement.

**4.02 Probationary Employee**

*Probationary employees*, for the purpose of this Agreement, are newly hired employees on a trial basis to determine their suitability for employment. On completion of 60 working days (450 regular hours worked), such employees shall become full-time employees or part-time employees.

**4.03 Full-Time Employees and Part-Time Employees**

(a) *Full-time employee* is an employee hired to work on a full-time basis or awarded a full-time position through the job posting process set out in Article 16, and who is scheduled to work in accordance with Article 18.01.

(b) *Part-time employees*, for the purpose of this Agreement, are those employees who have been hired to work on a part-time basis and have completed their probationary period. These employees may be hired in a part-time position, or they may be awarded a part-time position in accordance with Article 16 whereby they have regular scheduled hours of work, or they may be employed for an unspecified number of hours of work determined by virtue of Article 4.03(c).

(c) All part-time employees and probationary employees shall be placed on a seniority list as per Article 15.01 and scheduled for predictable work and/or called for work available in accordance with their seniority, classification and department. The New Brunswick Association of Nursing Homes Inc. and the New Brunswick Council of Nursing Home Unions have mutually agreed during collective bargaining to changes to the Pension Plan for general and service employees as stated below.

The following improvements to the Plan were implemented effective January 1, 1997.

- (1) A Plan member will be allowed to retire from active status with no reduction in his or her accrued pension if he or she meets one of the following conditions:
  - (a) The Plan member has either five (5) years of continuous service or five (5) years of pensionable service and is age sixty (60) or over; or
  - (b) The Plan member is age fifty-five (55) or over and the Plan member age plus continuous service is eighty-five (85) or more.

A Plan member entitled to a vested benefit can retire at any time after reaching age fifty-five (55) but if he or she does not meet either condition (a) or (b) above, then the accrued pension will be reduced. The amount of reduction will be 5/12 % time the number of months by which the early retirement date precedes the earliest date the Plan member would meet one of the conditions in (a) or (b) above, with service being frozen at the member's termination date for the purpose of calculating the rule of eighty-five (85) date in item (b).

In addition to a lifetime pension, a member retiring early would be entitled to a bridge benefit equal to \$4 monthly times the number of years of pensionable service. If the member is under age sixty (60) at retirement, the amount of the bridge benefit will be reduced by 10/12 % for each month that the age at retirement is under sixty (60).

The bridge benefit will be payable to age sixty-five (65) only and will cease on the death of the pensioner if this occurs before the pensioner has reached the age of sixty-five (65).

The unreduced early retirement provisions and the bridge benefit will vest for those who terminate after having completed five (5) years of continuous service or five (5) years of pensionable service but before reaching an age at which they are entitled to retire early.

Investment earnings assumption shall be as recommended by the actuary at 7.4 %.

- (2) The parties agree to the following changes regarding the Pension Plan using the available surplus as recommended by the Actuary, effective July 1, 2000.

The enrollment into the Pension Plan shall commence immediately upon completion of the employees' probationary period. The probationary period is four hundred and fifty (450) hours of work.

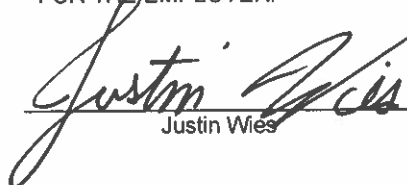

The lifetime pension benefit will be increased to 2 % for each year of service from the inception of the plan to January 1<sup>st</sup>, 1991. The lifetime benefit shall be increased to 1.6 % from January 1<sup>st</sup>, 1994 until July 1<sup>st</sup>, 2000 (it is already 1.6 % for service up to January 1<sup>st</sup>, 1994).

### EMPLOYEE WELLNESS / WELLNESS DAYS

The Union and the Employer agree that sick leave is a negotiated benefit that is meant as an insurance against financial hardship when the employee is unable to perform their duties due to illness or injury. The Employer has the right to expect regular attendance at work.

The Union and the Employer also agree that sick leave must be used and managed carefully to ensure that the sick leave benefit is available, affordable and sustainable in the long term.

The Union and the Employer acknowledge that a safe and healthy workplace is essential for the well-being of the employees and attendance at work.

High use of sick leave impacts employee morale, productivity, safety, the work environment and results in increased costs to the Employer such as replacement and overtime. Furthermore, staff shortages on shifts causes an increased workload on employees.

The primary objective of 'Conversion of Sick Days to Wellness Days' shall be to recognize the driving factors behind sick leave usage such as:

- Increased complexity of residents needs
- Recruitment and Retention
- Workplace Harassment / Bullying
- Violence in the workplace
- Hours of Care
- Working Short Staffed
- Wellness
- Mental Health

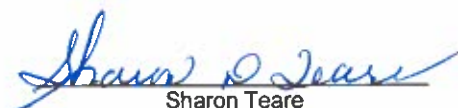

The Union and the Employer have an agreement that:

- As per article 22.01(a), sick time will continue to be accumulated at a rate of 1.5 days per month of continuous employment up to a maximum of 240 working days.
- A maximum of 30 hours each calendar year of this accumulated time, for both Full-Time and Part-Time employees will be allocated to a separate sick time bank named Sick-Wellness
- Sick-Wellness time cannot be rolled over, instead, any unused Sick-Wellness time will be reallocated to the employee's sick-time bank as of the first pay period of the new calendar year.
- Employees with zero balance in their sick bank are not entitled to Sick-Wellness time until they begin to accumulate a positive sick-time balance.
- All of Article 22 will apply to Wellness time, except for 22.03.
